TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of New Ipswich in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Mascenic Regional School in said New Ipswich on Tuesday, the ninth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:*

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money, when necessary, in anticipation of taxes.

4. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.

5. To hear reports of any Official or Committee and take any action relating thereon.

* The Town Meeting will open at 10 o'clock in the forenoon on March 9th to act upon the first article only. Balloting will continue until 7 o'clock in the afternoon at which time the Meeting will be adjourned until Wednesday, the 10th of March, 1971 at 7 o'clock in the afternoon to act upon the remaining articles.

6. To see if the Town will vote to accept the budget of the Electric Light Department.

7. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 (three thousand dollars) to be used by the Selectmen in the remodeling of the Town Office or take any action thereon.

8. To see if the Town wishes to exclude from the plan service in any class or classes of positions of election officials or election workers for a calendar quarter in which the remuneration paid for such service is less than \$50.00.

9. To see if the Town will vote to withdraw the sum of \$3,000.00 (three thousand dollars) from the Highway Department Capital Reserve Fund for the purpose of purchasing a new four wheel drive pick up truck, with plow, for the Highway Department. The old pick up truck to be used as trade-in.

10. To see if the Town will vote to raise and appropriate the sum of \$9,000.00 (nine thousand dollars) this year and \$9,000.00 (nine thousand dollars) in 1972 to be paid accordingly for a tax map of the Town of New Ipswich.

11. To see if the Town will vote to raise and appropriate the sum of \$1,126.96 (one thousand one-hundred twenty-six dollars and ninety-six cents) so as to receive \$7,513.05 (seven thousand five-hundred thirteen dollars and five cents) from the State for use of Class IV and V highway construction, reconstruction or betterment as provided under the New Hampshire RSA Chapter 241.

12. To see if the Town will vote to close the following roads subject to "gates and bars" or take any action thereon:

- A. Binney Hill Road: beginning 500 feet west of Rindge-New Ipswich Town line at a point of intersection of Binney Hill Road and two rods from Justin Smith's driveway to one rod east of Alvah Ring's (Overline).
- B. Jenkins Road: two rods from Fafard's property line to the Greenville Town line.
- C. Collins Road: two rods from Halsall's driveway to Viitanen's property line.
- D. Stowell Road: two rods north of Hokanson's driveway to the Temple Town line.
- E. Bartlett Road: four rods east of Route 124 to the Greenville Town line.
- F. Un-Named Road: un-named road extending from Country Road to a point opposite Donald Packard's property line.
- G. Boynton Hill Road: from a point two rods east of intersection of Maki Road and Appleton Road to the Temple Town line.

13. To see if the Town will vote to raise and appropriate the sum of \$60,000.00 (sixty thousand dollars) to build or otherwise acquire and equip a new fire station and to issue the town's serial notes or other evidences of indebtedness to pay for the same.

14. To see if the Town will raise and appropriate the sum of \$600.00 (six hundred dollars) for two dry hydrants.

15. To see if the Town will vote to raise and appropriate the sum of \$5,500.00 (fifty-five hundred dollars) to be used in the maintenance and supervision of the Recreation Field or take any action thereon.

16. To see if the Town will vote to authorize the Selectmen to negotiate for the purchase of a police cruiser through Federal Funds. Should the Town become eligible for a Federal grant to authorize the Selectmen to purchase same.

17. To see if the Town will raise and appropriate \$300.00 (three hundred dollars) for maintenance of Pratt Pond Road.

18. To see if the Town will vote to have the moderator appoint a five member committee to contact the New Hampshire Medical Society and Hillsborough County Medical Society to look into the possibility of getting a physician in town and to report at the next annual meeting, or sooner if deemed necessary by the committee. (by petition)

19. To see if the Town will vote to amend Article 15 of the 1967 Town Warrant to read, "Have the moderator appoint a five man planning committee to study the planning needs of the town and to make any recommendations thereon at the next annual meeting or at a special town meeting before that date should the committee deem it necessary." (by petition)

20. To see if the Town will vote to form a Committee to determine the advisability of the Town selling the Electric Light Department. This Committee to report in detail pro and con at the Town Meeting of 1972. The committee shall be composed of three voters of the Town, one Selectman, and one member of the Electric Light Commission, ex officio. Appointments to the committee shall be made by the Moderator.

21. To see if the Town will vote to raise and appropriate \$550.00 (five hundred and fifty dollars) to enable the Monadnock Region Association to continue their service to the Town of New Ipswich.

22. To see if the Town will vote to raise and appropriate the sum of \$1,273.00 (one thousand two-hundred seventy-three dollars) to support the services of the Monadnock Community Visiting Nurse Association.

Given under our hands and seal, this fifteenth day of February, in the year of our Lord nineteen hundred and seventy one.

ARTHUR L. WHITNEY
CHARLES R. AHO
GEORGE H. LAWRENCE
Selectmen of New Ipswich

SELECTMEN'S REPORT

The year, 1970, certainly proved to be a most eventful one. We welcomed a newcomer to the Board, George Lawrence. At the Annual Town Meeting held last March 10th, our budget was cut by \$19,077. After a couple of months, it became quite evident that we could not operate the town affairs on the voted budget. Again we prepared a supplemental budget to be presented at a special town meeting. This budget consisted of reinstating the \$19,077 plus \$9,700 for additional expenses incurred with this special meeting, Town Officers' salaries and expenses for re-assessing, welfare and police expenditures. On May 15 the Special Town Meeting was held in the lower learning area at Mascenic School. We brought before the people the fact that the original budget was the bare minimum with which we could have operated the Town, but the cut made it impossible. We were also informed by the State Tax Commission that a revaluation of all properties within the Town of New Ipswich was due. All articles in this warrant were passed.

It took the better part of Spring, Summer and Fall to complete the reassessment. Major readjustments were made, particularly in land value assessments, which most people agree made a more equitable tax distribution among property owners. There were numerous queries about individual tax bills but very few real complaints which was very gratifying to us all. The net valuation was raised from \$6,747,120 to \$10,042,856. This caused the rate to drop from \$5.80 to \$4.28 per hundred.

Memorial Day services were conducted at the Smithville Cemetery in the forenoon and at the Central Cemetery in the afternoon by the Leonard I. Kangas Legion Post 107 with Francis Leger as Commander. Although the Post is operating under adverse conditions, the services were most impressive. We sincerely appreciated all efforts made to observe Memorial Day.

Due to poor health, L. Richard Johnson was forced to resign as Road Agent. In November the Board appointed George Hopkins, an employee of the Department, as acting Road Agent. Although Mr. Hopkins assumed his position at the most difficult season, he has proved competent in handling any situation that has arisen to date. We would like to commend George Hopkins on the superior management of the New Ipswich Highway Department.

ARTHUR L. WHITNEY, Chairman
CHARLES R. AHO
GEORGE H. LAWRENCE
Board of Selectmen

CIVIL DEFENSE

The Town participated in four Civil Defense test alerts during the past year.

The Auxiliary Policemen were given special training this summer to meet emergencies. They also have donated their services to various organizational activities throughout the year.

The following is the roster of Civil Defense:

Director: Arthur L. Whitney

Co-Director: David Corthell

Fire: Sulo Kolapakka, Jr., Chief

Administration: Nelson LaFreniere, Justin Smith

Communication: Alert warning 878-1611

Police: Nelson LaFreniere, Chief

Light Department: Earl Dane, Richard Putnam

Highway Dept.: George Hopkins, Road Agent

Medical: Laila Luhtala

ARTHUR L. WHITNEY, Director

POLICE CHIEF'S REPORT

To the Honorable Board of Selectmen, I hereby submit my annual Police Department report for the year ending December 31, 1970.

The Department had a very active year. It will be obvious from a glance at the summary of Police actions on the following pages that the need for Police assistance is increasing in New Ipswich just as it is in the rest of the nation. Crimes, disorders, disturbances, law breaking and appeals for assistance are becoming both more numerous and more complex.

Our small Community has been forced to deal with a new problem which until this past year most of us only read about as other cities and towns were threatened. This is the problem of bomb threats and bombings which have been experienced across the nation. New Ipswich this past year faced four bomb threats involving public buildings and three threats involving private homes. The threats were supplemented by actions as four arson and fire bomb attack explosives were uncovered.

In searching for solutions to the bomb threat problem several disturbing facts became very clear.

First, it became very obvious that if and when a bomb is actually located, there is practically no equipment, facilities or trained personnel to deal with the device either locally or even within the State. In the past when, in the relatively rare instance when a bomb type device was located, local military installations could be called in to handle the problem. Now, however, the incidence of actually finding such devices has increased to the point when they are simply too numerous for even the military facilities to handle them.

All intelligence points toward a continued, and even increased, threat from bombings. The responsibility for dealing with the threats and the devices has now been forced into the local public safety agencies. A great deal of research and consultation has been carried out with the various state agencies and the surrounding communities. A result of this work is that an application has now been made, through the County and Crime Commission, for a training program and equipment to be financed by Federal Funds.

The department has continued its efforts this past year in our

own Drug Abuse Program. We have presented public lectures in various locations, provided assistance and information to parents, teachers and private individuals and generally dealt with each problem using all the resources available to us.

An effort has been made this past year to develop a closer working relationship with the Regional School in several areas. A considerable amount of time was spent assisting in the establishment of the Drop-out Prevention Program. An important aim of the program is to establish an On-the-Job training relationship with local and area employers. The Police Department has been fortunate to have two girls from Mascenic as On-the-Job trainees on a part time basis. The girls have done assigned work for all the departments in the Town Office but have been particularly helpful in the areas of Police records, correspondence and in Welfare work.

The Community has also experienced the riot threat this past Summer. We are both proud and grateful for the cooperation of all the volunteers who became involved and took part in training sessions. These people very likely made it possible to quash a threatening situation before it had the opportunity to erupt.

The Auxiliary Police have again donated their time in conducting the Hunter Safety Program and many other jobs including special holiday duties. They have also taken part in community activities, training sessions, surveillance and other important functions.

The Welfare Program was again administered by the department this past year. In addition to the regular duties of investigation, allocation of monetary and other aid we were able to take advantage of the Surplus Foods Program. The New Ipswich Town Office became a distribution center for both Greenville and New Ipswich and this program effected very substantial savings to both Towns. The Welfare Program has become an increasingly heavy burden in all communities all over this Country. The program burden in New Ipswich has been held to relatively low levels only through a great deal of effort by many people. We carry out a continuing screening process to eliminate ineligible participants and continually seek aid from all State and Federal agencies for those who are eligible.

For economic reasons and the lack of Doctors available we are taking full advantage of the Visiting Nurse Service, from the

Monadnock Community Nurse Association, and with the Monadnock Health & Welfare Council.

At this time, I would like to thank all the people with whom we have worked and who have cooperated with us this past year.

NELSON E. LaFRENIERE

Chief of Police

The Trust Funds of New Ipswich, New Hampshire have been audited
by me and found correct.

GLADYS C. DAVIDSON, RHODA L. CHASE,
Trustees of Trust Funds

NEW IPSWICH RECREATIONAL FIELD

The summer of 1970 was a busy one at our Recreational Field. We are so fortunate to have this fine facility, especially during repeated heat waves such as we had last summer. Miss Susan Eaton served as Pool Director and Life Guard, giving lessons to over 200 children. The Committee worked hard to get the pool open early in the season so that a Water Safety Course could be given to some Mascenic students. It is our feeling that the pool should be used as much as possible, therefore we revised the pool schedule, opening it every evening for adult swimming. We introduced a new idea, that of having Wednesday nights designated as reserve nights for local groups. The Cub Scouts and the Little League were among some who took advantage of this opportunity.

In addition to the Pool Director several part-time lifeguards were employed, including Corrine Corliss and Donald Hewitt. Qualified adults also donated their time, for which we were grateful.

The Playground was under the supervision of Miss Rhonda Henault, who kept various activities going such as softball, tennis and special art activities for younger children. We would like to thank Leonard Vaillancourt for fixing the horseshoe pit and Ralph Dwire at Mascenic for rebuilding the toddler swings. A large sandbox was built and filled under the direction of Joyce Hopkins. We also want to thank Mrs. Cooper for her donation to the Softball Team.

The Filter House was finally erected and covered over, and we appreciate the James Albrees' contribution toward the cement blocks. The Pool House itself, unfortunately, does not meet State Requirements, and a great deal of study is being given by the Committee to future needs.

At the end of our season we were able to purchase some wire fencing to enclose the tennis court and some lumber to build a skating rink. Regretfully winter caught us early and hampered repeated efforts by the New Ipswich Fire Department to flood and freeze the area.

Memorial Field is an active place in the summer. It is

our hope that with the loyal support of the citizens who benefit from this facility we will continue to improve this worthwhile and valuable piece of property.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture-to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning, such burning is restricted by regulation prior to 9:00 a. m. and after 5:00 p. m. with the following exceptions:

Commercial or Industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?

3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help", and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

State	—	484 fires	—	244 acres
District	—	84	—	43
Town	—	1	—	1½

WINTHROP H. HANNAFORD, *District Fire Chief*
SULO KOLAPAKKA, JR., *Forest Fire Warden*

REPORT OF THE ELECTRIC LIGHT DEPARTMENT STUDY COMMITTEE

The Committee as established at the Town Meeting of 1970 was given no specific directives when appointed. Consequently a number of aspects of the operation of the Electric Light Department were studied.

Of greatest concern is the deteriorating condition of the physical plant, caused by inadequate maintenance for quite a number of years. For example, out of 1567 total poles, at the present time there are 76 chestnut poles over 40 years old and 10 other broken poles which should be replaced, not to mention another 284 poles which were set between 1930 and 1940 which should be checked and some replaced to avoid failure during severe storm conditions. If customers are to be provided with reliable service in the future a crash program of upgrading this equipment must be undertaken.

One reason for this lack of maintenance is that revenue was inadequate to provide the funds. Rather than raise the rates the work has not been done as needed. Continuing in this way will spell complete collapse in the system. The rates have been so low, in fact, that some large users were charged less than the cost of power purchased. By the first of this year the cost of operation had exceeded income to the point where insufficient funds were available to pay for the power purchased, and over the past two years the reserve funds have been invaded to the amount of approximately \$13,000. As indicated by a rate study made by Mr. Paul W. Buxton, a consulting engineer hired by the Commissioners, a rate increase is mandatory. The recommendations for this increase were made in September of 1970 but not put into effect until February of this year. An inventory of equipment and its condition was also made by the Commission to determine future maintenance requirements.

The question of the rate to be charged Mascenic was finally resolved. It was agreed that Mascenic would purchase its transformers, and thereafter be eligible for the larger user rate.

The Committee feels that a continuing study should be

undertaken to determine if it is feasible for the Town to continue owning this facility

When originally established, the owning of its own department was the only way residents could get electricity. The picture today is entirely different, and it is questionable if an operation of this size can continue efficiently and provide good service at reasonable rates.

The magnitude of business being done today, and the problems anticipated with maintenance might indicate the need for a full time manager to handle the complex details for which the Commissioners do not have adequate time. The Commissioners would continue to serve to establish policy, handle public relations, pay bills, etc.; but the running of the department is much too difficult a job to expect the average elected citizen to do in a few evenings each year.

ALBERT W. CURRIER
CLYDE A. McKEEMAN
JOHN PRESTON

REPORT OF THE NEW IPSWICH LIBRARY

The most notable event at the Library this year was the purchase and installation of a wall-to-wall carpet. Done at a cost of over \$1,500, this major improvement adds greatly to the comfort and convenience of the rooms, and solves a long-standing problem of floor maintenance.

Also, the lighting level was increased throughout the building, and necessary re-wiring was done.

Our story hours for the children have recently attracted much needed help from Mrs. Hardendorff, who has lately moved to Town. She has great talent in this field, and we look for an increase in this valuable activity.

For some years, our Library has borrowed books from the State Library, for persons in Town who could not find them in our collection. This year the tables were turned! The State Library borrowed four books from us, which it could not find elsewhere!

AUDITOR'S REPORT

I have examined the following accounts and found them correctly cast and properly vouched for the year 1970:

Tax Collector, Town Clerk, Town Treasurer, Selectmen, Road Agent, Trustees of Trust Funds, and the Electric Light Department.

February 20th, 1970

JON R. HUBER,
Auditor
